

## **MEDICATION ADMINISTRATION PROGRAM (MAP) CERTIFICATION TRAINING COURSE**

**Health and Human Services  
Direct Support Professional**

**“MAP ENSURES THE SAFE ADMINISTRATION OF MEDICATION TO INDIVIDUALS LIVING IN COMMUNITY RESIDENTIAL PROGRAMS. MAP MAKES IT POSSIBLE FOR DIRECT CARE STAFF, WHO KNOW THE SPECIFIC NEEDS AND CONCERNS OF EACH INDIVIDUAL, TO ADMINISTER MEDICATION AS A NORMAL PART OF THE INDIVIDUAL’S DAILY ROUTINE. MAP IS IMPLEMENTED THROUGH UNIFORM, STATEWIDE STANDARDS THAT UNDERGO CONTINUOUS EVALUATION AND IMPROVEMENT.”**

Our MAP Certification Training Course is delivered by Registered Pharmacists with first-hand experience in the industry and who are currently registered as MA MAP Trainers. This comprehensive instructor-led course will inculcate the responsibilities of being MAP Certified by means of the 9 Unit “Responsibilities in Action” Program. Our qualified educators will provide support and one-on-one assistance, fully equipping each participant to pass the MAP Certification Exam and Skills Evaluations.

## **COURSE HIGHLIGHTS**

- **9 Classroom Sessions:** Classes will be held from 9am-1pm three times a week for 3 weeks.
- **Pretesting Components:** The sessions include the required 3 pretest components: (1) Computer Based Test, (2) Medication Administration Demonstration of Process, (3) Transcription of a New Medication
- **Weekly Tutoring Sessions:** Each participant will have access to weekly open study tutoring sessions, led by a Certified MAP Trainer.
- **One-On-One Help:** Students requiring more assistance can schedule additional one-on-one sessions.
- **Resource Kit:** Each student will receive a Resource Kit which includes a textbook, skills practice worksheets, transcription workbooks, medication and count books, practice blister packs and labels.
- **Final Evaluations & Testing:** Participants will be assisted in registering for the proctored Skills Evaluations as well as the final Computer Based MAP Certification Test. The Skills Evaluations are scheduled, individual, in-person sessions. These require a state agency-approved in-person proctor, provided by Thryv Consulting, to observe the testing in addition to the online D&S proctor.
